Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant requested a new Office action considering the supplemental amendment of April 27, 2007 and restarting the time for response. However, because the supplemental amendment of April 27, 2007 was considered in the Office action of July 27, 2007, the Office will not be sending a new Office action restarting a time period for response. Although the supplemental amendment of April 27, 2007 was not expressly mentioned in the opening paragraph on page 2 in the Office action of July 27, 2007, the supplemental amendment was indeed considered. Notably, the supplemental amendment of April 27, 2007 does not change the merits of the rejections made in the Office action of July 27, 2007 because it merely corrects a typographical error, hardly a substantive amendment to the claimed subject matter.
